REACH statement

We state that we are aware of the obligations resulting from the Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006, as amended, concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and that we apply it and comply with it.

In the supply chain of chemical substances, PPHU WIKRY Krzysztof Bednarz has a status of a Downstream User and under Art. 7 of REACH Regulation it is not obliged to register chemical substances.

We declare that all the products we supply our Customers with comply with the requirements resulting from the REACH Regulation and:

- meet the definition of a product according to Art. 3 section 3 and are not subject to the provisions of Art. 31,
- in the normal or rationally expected conditions of use of our products, release of the substances the products contain is not intended,
- required substances contained by the products have been pre-registered or properly registered by our suppliers or other participants across supply chain,
- based on the best knowledge and information from the suppliers, none of our products contains substances from the list of the substances of very high concern (SVHC) in a concentration greater than 0.1 %.

We will inform our Customers promptly about all events covered by the provisions of the Regulation No 1907/2006.
