

Mutual recognition declaration

for the purposes of Article 4 of Regulation (EU) 2019/515 of the European Parliament and of the Council

Part I

1. Unique identifier for the goods or type of goods: geoSYSTEM G4
2. Name and address of the economic operator:

PPHU Wikry	Zakład produkcyjny:
ul. Sikorskiego 60	Grójec 23
62-022 Rogalinek, Poland	63-000 Środa Wielkopolska, Poland
3. Description of the goods or type of goods subject of the mutual recognition declaration: Environmentally friendly surface reinforcement system produced from PP, PEX, PE, LLDPE for the intended use in transport infrastructure construction
Trade name: geoSYSTEM G4
Product dimensions: 500x500x40[mm] ±3%

4. Declaration and information on the lawfulness of the marketing of the goods or that type of goods:

- 4.1. The goods or type of goods described above, including their characteristics, comply with the following rules applicable in Poland:

[EU] Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011
[PL] Regulation of the Minister of Infrastructure and Construction of 17 November 2016 on the national technical assessments (Dziennik Ustaw of 2016, item 1968)
[PL] Regulation of the Minister of Infrastructure and Construction of 17 November 2016 on declaring the performance properties of construction products and the manner of declaring of performance properties of construction products (Dziennik Ustaw of 2016, item 1966)
[PL] Regulation of the Minister of Investment and Economic Development of 13 June 2018 amending the regulation on the manner of declaring the performance properties of the construction products and the manner of marking them with construction product marking (Dziennik Ustaw of 2018, item 1233)
[PL] Act on the construction products of 16 April 2004 (Dziennik Ustaw of 2019, item 266)

- 4.2. Reference of the conformity assessment procedure applicable to the goods or that type of goods, or reference of test reports for any tests performed by a conformity assessment body, including the name and address of that body (if such procedure was carried out or if such tests were performed):

National Technical Assessment no. IBDIM-KOT-2019/0318 issued by the notified notified body: Road and Bridge Research Institute 1, 03-302 Warsaw, Poland
National Declaration of Performance

5. Any additional information considered relevant to an assessment of whether the goods or that type of goods are lawfully marketed in the Member State indicated in point 4.1:

Due to the lack of harmonised standards on the product, National Technical Assessment has been requested (since the update of the EN 13249 harmonised norm, the products produced from the raw materials from recycling are no longer covered by the norm). On the basis of examination by a notified body, a technical assessment of geoSYSTEM has been provided, making possible the continuation of the marketing of the product.

6. This part of the mutual recognition declaration has been drawn up under the sole responsibility of the economic operator identified under point 2.

Mutual recognition declaration

for the purposes of Article 4 of Regulation (EU) 2019/515 of the European Parliament and of the Council

Part II

7. Declaration and information on the marketing of the goods or that type of goods

7.1. The goods or that type of goods described in Part I are made available to end users on the market in the Member State indicated in point 4.1.

7.2. Information that the goods or that type of goods are made available to the end users in the Member State indicated in point 4.1, including details of the date of when the goods were first made available to end users on the market in that Member State:

The product was marketed in the European Union for the first time on 15.05.2009. Back then, the product was subject to the harmonised norm and was marked with CE marking.

8. Any additional information considered relevant to an assessment of whether the goods or that type of goods are lawfully marketed in the Member State indicated in point 4.1:

On 15.05.2009, the product passed the conformity assessment and we were provided with the certificate of conformity of the Factory Production Control 1488-CPR-0141/Z, which, according to the Regulation (EU) No 305/2011 of the European Parliament and of the Council (CPR regulation), concerned the construction product identified as Geosynthetics GCE called geoSYSTEM grid. This certificate confirmed that all provisions on the assessment and verification of the stability of the performance properties specified in the harmonised norms: EN 12249:2000 and EN 13251:2000 as amended EN 13249:2000/A1:2005 and EN 13251:2000/A1:2005 have been met. The product has been certified within the scope of 2+ system. As of the date of replacement of the norms: EN 12249:2000 and EN 13251:2000 with norms: EN 13249:2016 and EN 13251:2016, which do not provide for the certification for the products produced with the use of the raw materials from recycling, the certificate obtained on 15.05.2009 enabling marking with CE marking has been invalidated, as a result we requested for the issuance of the National Technical Assessment, in order to make marketing of the product possible. On 17.05.2019, we have obtained National Technical Assessment including positive assessment of the performance properties of the construction product: geoSYSTEM eco grid, which will be
